

# Mail-order sales from Brown Date Garden

Mail order is available only from October through March, so that you are assured of getting fresh food; in supermarkets, you sometimes get dates that are two or three years old. We ship via UPS only to U.S. street addresses (**UPS does not deliver to post office boxes**). In general, we use priority mail for orders weighing three pounds and less; we ship via UPS for orders five pounds and over; orders sent to post office box numbers can only be sent via parcel post.

## Wholesale orders

Call our office at  
(760) 397-4309  
weekdays from  
8 a.m. to 4 p.m.  
(Pacific Time).

**NOTE:** Please double-check your shipping addresses. United Parcel Service (UPS) still adds an extra \$6 charge for each incorrect address, and we do pass that charge back to you.

Please print your order (or print this page and circle the desired items), and tell us if prefer your fruit drier or more moist. Then mail your order with your **daytime telephone number** and payment check to:

Brown Date Garden  
69245 Polk Street  
Thermal, CA, USA 92274-9624

Make your check payable to Brown Date Garden.

We always worry about high temperatures in Florida, Texas, Southern California, and Arizona. You may put the dates in the refrigerator for a few months, but if you want to keep them longer, please freeze them.

## Price list – Oct. 2009 to March 2010
